FRANSCHHOEK VALLEY

2026 - 2027

CONGRATULATIONS ON YOUR ENGAGEMENT

Since opening its doors in 1984, La Petite Ferme has become one of the most sought-after destinations in the Cape Winelands.

Perched high on the Franschhoek Pass, beneath the majestic Middagkrans mountains, the estate enjoys breathtaking views across the Franschhoek Valley.

Over the years, La Petite Ferme has evolved into a refined country Escape a place where timeless hospitality, authentic country cuisine and exceptional wines come together to create unforgettable experiences.

Today, La Petite Ferme is home to a celebrated boutique winery, an acclaimed country restaurant and a beautifully appointed boutique hotel.

La Petite Ferme offers fifteen individually designed rooms, each with panoramic views of the Franschhoek Valley and surrounding vineyards. It provides the perfect setting to host your closest family and friends during your wedding celebrations.

Guests are welcomed into a space where private country-style luxury meets warm, attentive hospitality. The hotel features five Manor House Suites, five Vineyard Suites and five Winery Suites – each offering comfort, privacy and spectacular views of the Winelands.
